Turn in Date: October 30, 2017

We're proud to offer you locally grown poinsettias from one of the top growers of poinsettias in the country. The Bachman family has been growing and selling these beautiful plants for the holidays since the 1940's. All of Bachman's grown poinsettias are distributed and sold within 100 miles of the Twin Cities, which is important to us as a local organization.

All poinsettias feature two plants in one container with 8 to 10 flowers, great for your hearth or other statement areas. Choose from red, white or pink.

The money raised from this fundraiser helps the FHS Music Department purchase much-needed supplies, music and goes to defray travel costs for trips.
